

The Rossmere Gazette

April 2010

Greetings to all Rossmere members. There have been many changes at Rossmere over the past few months. These changes include me being named President. As President I would like to ensure that all members are enjoying all of their experiences at Rossmere. As such, if you have any questions or concerns about Rossmere, please feel free to email me directly at ddelaney@mts.net. I will do my best to answer any questions or respond to any concerns you may have.

Another change at Rossmere is in the General Manager position. Glenn Singleton has left Rossmere to pursue a position at a club that will bring him closer to his family down east. We would like to take this opportunity to thank Glenn for his years of service at Rossmere and wish him and his wife Dorinda all the best in their future endeavors. As Glenn has left, a selection committee was formed to identify and employ a new GM. The selection committee has chosen and offered the GM position to Mr. Scott Parker. Many of the members at Rossmere will remember Scott as a strong junior golfer who started his career as Assistant Golf Professional in our pro shop under the tutelage of our Head Golf Professional Craig Yahiro. Scott left Rossmere to become Head Golf Professional and run the entire operation at Swan River. Scott further developed his leadership and managerial skills in Swan River before become Head Golf Professional at Hecla Oasis Golf Resort. In addition to being responsible for the operations of the facility at the course, Scott was responsible for the resort facilities and its operation at various times during the year. The process of hiring a new GM is never a simple process and I would like to thank the selection committee for their hard work during this process.

At the time you are reading this newsletter, our Head Pro, Craig Yahiro, should be back from his winter in Arizona. In the fall, Craig was named the 2009 Manitoba Professional of the Year. This is a very prestigious honour and we are very proud that Craig's accomplishments over his many years of service have been recognized by his peers. Craig will be moving the pro shop over to its summer location on Friday, April 2nd.

Our curling leagues are winding down and next week the process of removing the curling ice will commence and will take approximately two weeks to complete. Our ice maker, Garth Reimer did a fantastic job with our ice this year as I have heard from many of the Rossmere curlers. Well done Garth! As part of our 50th Anniversary of curling at Rossmere, a tea and dinner was held that was well attended. A very special thank you goes out to the organizers of this event, Tom Jackson and Glenn Yoshino as well as all of those who enjoyed the festivities.

Our management and staff are busy preparing for the upcoming season. They are conducting interviews for Food & Bar and kitchen positions and are preparing to make the transition to the upcoming golf season. Dean has been doing a great job in improving our Food & Bar and we look forward to continued improved service on and off the course during this upcoming season. Great work Dean!

On course, our spring has started strong with a fast melt and good on course drainage of the melting snow. The majority of the snow is gone but the temperatures have dropped again. Mark and his crew are in the process of preparing for the upcoming season and we will be inspecting the course in great detail in the upcoming weeks for required repairs resulting from winter damage. Early indications are that the course wintered well and we should be in for a great golf season with our course in normal "Mark Jordan" fantastic shape.

Cont'd on page 2

We are in the process of recruiting members for Rossmere. This is a responsibility that we should all take pride in and if you know anyone that is looking for a great golf home surrounded by great people, please forward their name to the office so we can follow up. The financial strength of our club directly equates to our ability to address new projects around the club, both on and off the course. Please drop by the club to pay your dues and while you are there, please check out the Events Calendar for the many special events that will be hosted by Chef John and Dean.

I look forward to seeing everyone at the club this summer!

Thank you,
Doug Delaney
